**Great Commission At Work In Myanmar!**

⚡ Jeremy Leme baptizes two new believers in Mandalay, Central Myanmar. He leads a church in the city there, one of the teaching points for Mike.

**PRAY FOR MYANMAR!**

Protests and clashes with the Burma army continue, especially in Mandalay. Mike is presently unable to teach in the church there due to the unrest. We ask for your prayers for this nation as a whole but we particularly ask that you pray for the Church and its leaders. We pray for their courage and for their safety during this uncertain time.

# 38 Baptisms In Om Koi District, Northern Thailand

In December 2020 several Karen tribal villages were devastated by flooding causing both Christian and non-Christian families to lose their entire crops of rice and tomatoes. International Disaster Emergency Services (I.D.E.S.) provided a grant to replace the rice. Local church leaders led in the purchase and distribution of food relief but also followed up with sharing the Gospel among the non-believers. Just last month another group of 11 new believers obeyed in baptism in this same district of Om Koi.

**Pictured above are three of the baptisms among the 38 who accepted Christ.**

Our Thailand Mission, along with local donations from our church and individuals in Thailand, send much needed rice to refugees across the border in Myanmar.
