(The Land Of Smiles)*

During our two-day youth retreat at the border in Mae Sot, Thailand, two young ladies came to accept the Lord and were baptized into Christ! We praise God for their courage to stand for Jesus! On the Sunday prior to this three others were baptized!

# First Ever Refugee Youth Retreat At The Border!

Our youth retreat began on Sunday morning and continued through Monday. Mike gave the Communion Meditation and preached. Because of Covid-19, our number of participants was limited to about thirty people. →

↑ Mike taught on the theme, "One Heart" focusing on the young people using their diversity of gifts to promote unity within the Body of Christ.

# Berea Home Beach Trip A Reality . . . Finally!

In 2020 we planned a trip to the beach with our kids and home parents at Berea Home. Then Covid-19 came and the trip was put on hold until this month. Some of our Berea Home family were unable to go but those who went had a great time! ➡

↪ Fun in the ocean, a first for these kids and our home parents! It was a much deserved getaway.

↩ On the way back we treated the kids, home parents and van drivers to a delicious jumbo shrimp meal!

A beach trip isn't complete without kissing a dolphin! ➡

A special "Thank You" to our supporters for your generous giving to make this special event possible!

## Wall Construction At Huay Pong Lahu Church Property

☞ Recently, our Thailand Mission donated funds to build a wall around the church building, parsonage and kitchen in Huay Pong Village. Sadly, this has to be done to prevent people from encroaching on the church property. We appreciate all of our donors who give for so many needs! Atapha (Titus), who is supported by the Salem (VA) Church Of Christ, planted this church several years ago.

☞ Soifa, one of our young ladies who lived at Berea Home, graduated high school and college while there was recently married. Mike baptized her when she first came to Berea Home and spoke at her wedding.
